ERP DOCUMENT

Implementation of e-governance in areas of operation:

1. Administration

e-office:

This online application is used for all official correspondence to higher authorities and other agencies for quick disposal of files. This is very useful for administration because paperless and time bound disposal of official files. Login credentials are provided by NIC authorities and at present we are using this facility in administration under e-governance.

AP FRS app:

This is a recent e-application developed by Government of A.P. to monitor the employee attendance through online without considering manual attendance registers. It's very useful for administration to consolidate the staff attendance month wise and to check for late and irregular attended employees.

Jnanabhumi app:

This e-application is also developed by Government of A.P. to monitor the students attendance through online without considering manual attendance registers. It's very useful for administration to consolidate the students attendance every day and necessary steps to be taken by the administration to improve student attendance.

TLP app:

This e-application is also developed by Commissioner of Collegiate Education, A.P. to monitor the Lecturers class work as per the allotted time table . It's very useful for administrationto monitor the class work of Lecturers by consolidate the TLP report, the deviated classes approved and un approved are easily identified and suitable action will be initiated against the faculty caused for unapproved classes.

2. Finance and Accounts

herb.apcfss.in:

This e-application is developed by Government of A.P. to monitor the salary payments of employees under the control of Drawing & Disbursement Officers(DDOs). The salary bills are submitted through herb e-application will generate bills in CFMS and all the transactions are stored for future reference with confidential login credentials to DDOs. It's paperless and very accurate in maintaining financial matters. Pay slips can be generated for accounting purpose.

cfms.ap.gov.in application:

This e-application is developed by Government of A.P. to monitor the salary payments of employees under the control of Drawing & Disbursement Officers (DDOs). The salary bills are submitted through CFMS and all the transactions are stored for future reference with confidential login credentials to DDOs. It's paperless and very accurate in maintaining financial matters.

Student fee collection through F-Map app

This e-application is developed by Commissioner of Collegiate Education, A.P. to monitor the Fee collected through app. This app linked with SBI and all the fee payments through students app will be credited to college account. It's very useful for administration to maintain accounts easily particularly Daily Fee Collection Register (DFC) and allocation of fee under different categories.

Jnanabhumi JVD services

This e-application is developed by Government of Andhra Pradesh to monitor students scholarship disbursements under Jagananna Vidya Deevena (JVD) and Jagnanna Vasathi Deevena . Our college students also received these financial benefit from government through online in their mother accounts. The students remit the same in college through Fee app . It's very useful for administration to maintain scholarship accounts easily particularly Daily Fee CollectionRegister (DFC).

3. Student Admission and Support:

Online admissions in Degree colleges through https://oamdc-apsche.aptonline.in/

This e-application is developed by Andhra Pradesh State Council for Higher Education (APSCHE) , A.P. to admit the students through online in degree courses. It's used by all the Government and private degree colleges in our state for student admissions. The various courses offered with intake capacity is mentioned in the website and each college has unique code which is displayed in the portal to exercise options by students . As per schedule the admission process will be completed through online only. Cancellation, transfer from one college to another, spot admissions facilities available in the portal as per schedule announced by APSCHE.
