

# BEST PRACTICE

## CLEAN AND GREEN

- A Clean & a Green Campus is a place where environmental friendly practices and education combine to promote sustainability in the campus
- It provides opportunities for students to study campus and local environmental problems, conduct environmental audits of its practices
  - reduce campus waste, maximize energy efficiency, and deal with land-use, transportation, and building planning.
- Overall campus planning and design
- Waste management strategy
- Biodiversity
- Design Interventions.

**“We believe in creating sensitive and socially conscious architects who can contribute in shaping our built environment”.**
