Polavaram Project

08-02-2019

AIM & PROGRAM

The IQAC and Department Of Political Science organized a field trip to Polavaram National Project on 08-02-2019 with the financial Assistance of the Andhra Pradesh Irrigation Department, Rajahmundry

The IQAC and the departments of Arts, Commerce, and Science planned a field trip to Polavaram National Water Project which is being constructed in Polavaram, West Godavari District. The Irrigation Department of East Godavari district arranged two APSRTC buses for the students and the staff to visit the project. The Project is located 40 km away from the college. 80 students from all the programs and 10 members of the staff participated in the field trip. The trip started at 9 am from the college and reached the spot at 10:30 am. The students and the staff visited the project. The representatives of the Polavaram project explained to the students to the project details. They explained the advantages of the project once it is finished. The students gained practical experience and they learned about the project. They felt satisfied as they gained social and historical knowledge. After having lunch provided by the Irrigation Department, the students and the staff visited the Museum of Polavaram Project.

About Polavaram Project

The **Polavaram Project** is an under construction multi-purpose irrigation project on the Godavari River in the Eluru District and East Godavari District in Andhra Pradesh. The project has been accorded National project status by the Central Government of India. Its reservoir back water spreads up to the Dummugudem Anicut (i.e. approx 150 km back from Polavaram dam on main river side) and approx 115 km on Sabari River side. Thus back water spreads into parts of Chhattisgarh and Odisha States. It gives major boost to tourism sector in Godavari Districts as the reservoir covers the famous Papikonda National Park, Polavaram hydro electric project (HEP) and National Waterway 4 are under construction on left side of the river. This multi-purpose major irrigation project is intended for development of a gross irrigation potential of 4,36,825 ha. The project also envisages generation of 960MW of hydro power, drinking water supply to a population of 28.50 lakh in 611 villages and diversion of 80TMC of water to Krishna river basin.

Objectives of the Field Trip

- ❖ To deepen Social and Historical Knowledge among the students
- ❖ To develop Critical Thinking Skills among the students.
- ❖ To highlight Career Opportunities
- ❖ To promote Interest in Art and Culture
- ❖ To provide valuable qualitative and affective learning experiences which will encourage deeper thinking about the interaction between man and his environment.
- ❖ To train art students in observation skills through drawings.
- ❖ To create an appreciation of nature in art students.
- ❖ To be exposed to the cultures and way of life of different groups of people and to be humble and respectful of their interaction

A REPORT ON FIELD VISIT

Art Gallery , Gowthami Library

R.S.R. Archaeology & Museum

27th August 2022

AIM & PROGRAM :

The Department of Political Science on the part of curriculum, it is mandatory to take our students to field work. Hence, I request you to permit me to take our II B. A Students to Rajamahendravaram to visit Sri.Damerla Ramarao Art Gallery and Gowthami Library and Sri R.S.R. Archaeology & Museum, Rajamahendravaram, East Godavari District, Andhra Pradesh on 27th August,2022.

Dr.D.Chitti Babu, The principal of the college was addressed the students. Sri.S.Rajendra Prasad, lecturer in Political Science explained the importance of the Art Gallery and library.

It was very useful field trip to students to gain visualized knowledge from these historical monuments. In Rajamahendravaram the famous Gautami Library was visited with the students. This library is a repository of knowledge with several thousand books and texts.

Through this visit they got an understanding that after completing their degree education they can use it free of charge for the competitive exams they focus on.

By visiting Mr. Damerla Rama Rao's art gallery, we saw many amazing paintings there. We believe that this visit has given some awakening and encouragement to the students who are interested in painting.

Finally, Sri Rallabandi Subbarao Government Archaeological & Museum was visited. On further educational journey .We are confident that this visit will be very useful for students interested in archaeological excavations and historical research

OBJECTIVES OF FIELD TRIP

- ❖ To participate in learning experience that are not normally available in the classroom, but are essential for sound training in development policy and administration
- ❖ To test the validity and practicability of classroom learning to practice, thus helping students develop their own professional skills
- ❖ To create situational teaching for cultivating observation, keenness and discovery.
- ❖ To serve as a means to develop positive attitudes, values and specific skills.

PURPOSE OF FIELD TRIP

- To provide real life situations for first hand information.
- To serve as a preview of a lesson and for gathering instructional materials.
- To supplement classroom instruction to secure definite information for specific lessons.
- To serve as a means of arousing specific interest in materials, objects, places or processes.

OUT COMES

- An authentic learning experience
- An important experiential educational practice
- An opportunity for students to bond together as a learning community
- A wonderfully immersive experience

ABOUT

Sri Rallabandi Subbarao Archaeological Govt. Museum, Rajamahendravaram

The museum is located on the Godavari Bund Road in Vullithotavari veedhi of Rajamahendravaram Town. In the year 1926, the Scholars of Rajamahendravaram had established, the Andhra Historical Society with an aim to collect and preserve sculptures, inscriptions in order to write an authentic history of Andhra Desa. The Society has collected stone sculptures and large number of Books and preserved them in a building. The Department of Archaeology and Museums has taken over the building and library under its control in 1967.

The museum building is having only one hall with verandahs in three sides. The stone sculptures are displayed in the verandahs and in the court yard. In the hall, the antiquities such as Paleolithic tools, Neolithic implements, Early historic pottery and terracotta figurines (1st – 3rd Century A.D) Bronzes, Coins, Bidri Ware, Arms & Weapons, Wood Carvings and miniature paintings are displayed. The outstanding collections of the museums are stone sculptures, Gold coins and wood work of a Tribal Women.

Damerla Ramarao Art Gallery

Damerla Rama Rao Art Gallery was founded in the memory of Mr. Damerla Rama Rao, an Indian artist who was born and raised in Rajahmundry. Several excellent examples of his art continue to be showcased here, some 92 years after his death. Damerla Rama Rao was a revolutionary in the world of painting, who took it as his calling to revive the Andhra style of painting. This gallery is a recommended visit for art lovers.

Gowthami Library Rajamahendravarm

Gowthami Grandhalayam or Sri Gowthami Regional Library was started by poet and social reformer Nalam Krishna Rao in 1898 in Rajahmundry, Andhra Pradesh, India. Initially named Sri Veeresalingam library, since it was backed by the nationalist Kandukuri Veeresalingam Pantulu, it was housed in Nalam Choultry in Innispeta with a very small collection. Around the same time Addanki Satyanarayana established the Vasuraya Library. Andhra Desa Grandhalaya Sangham secretary Pathuri Nageswara Rao suggested merger of the two libraries to get regional status.
