Accredited by NAAC with "B" Grade, ISO 9001:2015 Certified College

Affiliated to Aadi Kavi Nannayya University
Opp K.G.N.M. Trust, Purushottapatnam Road, Seethanagaram

DEPARTMENT OF ECONOMICS

Academic Year 2020-21

ICT BASED CLASSES

Information Communication Technology students gain knowledge and skills needed to effectively apply, use and manage technology when solving problems specifically related to information and communication. ICT majors may pursue one of two concentrations. ICT Commercialization: Focuses on ICT as an enabling tool to drive economic growth. Technology Management: Focuses on using technology to provide a stable operating environment. NEW: ICT is excited to announce their new track-Information Studies. The information studies track allows students to learn how information can be created, communicated, stored, and/or transformed to benefit individuals, organizations, and society. In our information-based society, teaching practical skills for analysing, processing, managing information that will allow them to then create technology-based solutions using a user-centred approach and evaluate the roles of information in a variety of organizational settings is a valuable skill set that is currently sought by employers.

LIST OF ICT BASED CLASSES

INDEX

SL NO	DATE	PROGRAM	TOPIC	NO. OF STUDENTS ATTENDED
01	07-12-2020	II BA	COMPONENTS OF NATIONAL INCOME	28
